## CAREER OBJECTIVE

A computer science student graduated in 2023 seeking a software engineering position. Proficient in **Java**, **Kotlin**, **basics of C language**, **MySQL**, seeking to hone the programming skills, good teamwork, interpersonal and communication skills. Looking to start a career as an entry-level professional with a reputed IT company. Often practising on **LeetCode** and **GeeksforGeeks** problem sections to enhance my Datastructures and Algorithms(DSA), problem-solving skills.

## PROJECTS

### Project 1

**MyMaps**                                             **Demo Gif**

My Maps displays a list of maps, each of which show user-defined markers with a title, description, and location. The user can also create a new map.

The following required functionality is completed:

1. The list of map titles is displayed.
2. After tapping on a map title, the associated markers in the map are shown.
3. The user is able to create a new map.

---

### Project 2

**TipCalculator**                                       **Demo Gif**

Tip-Calculator computes the tip and total amount for a bill. The app uses the base amount and tip percentage to calculate the amount owed, and it also describes the quality of service based on the tip.

The following required functionality is completed:

1. User can enter in a bill amount & User can enter a tip percentage
2. The tip and total amount are updated immediately when any of the inputs changes.
3. The user sees a label or color update based on the tip amount.

## AREA OF INTEREST

Software Developer    Data Analyst

Database design and management

Software testing and quality assurance

## TECHINCAL SKILLS

Problem Solving    Core Java    MySQl

GitHub    Android Studio

Basics Of Data Structures    DBMS

Basics of C Language

## LANGUAGES

| | |
|---|---|
| **Core Java** | ●●●●○ |
| **C & C++** | ●●●○○ |
| **Kotlin** | ●●●○○ |
| **MySQL** | ●●●●○ |

## PERSONAL SKILLS

Self Starter    Flexible & Adaptable

Leadership    Communication

Active Listening    Teamwork

## EDUCATION

**B.Tech** in Computer Science & Engineering
**Sri Indu Institute of Engineering and Technology (Hyderabad)**
📅 August 2019 – July 2023

---

**12th grade** - Higher Secondary Certificate
**Vivek Vidyalaya & Junior College (Mumbai)**
📅 June 2018 – Feb 2019

---

**10th grade** - Secondary School Certificate
**Royal Academy (Mumbai)**
📅 June 2016 – March 2017
